### ACCOUNTING & BUSINESS OPERATIONS WORKSHOP

Indianapolis, IN  
March 31-April 2, 2019  
The Alexander

New for 2019, this comprehensive workshop will feature a robust program on higher education accounting standards and practices for all institution types. Sessions will be offered on current, highly relevant topics and best practices in higher education business and finance, including the areas of leadership, data analysis, tax, information technology, human resources, and personal development. This program will offer a rich environment for participants to share knowledge and network with peers. Those familiar with the CACUBO Higher Education Accounting Workshop and the CACUBO Workshop in the past can count on this workshop to deliver the same great content....all in one event!

Event planning is underway - visit [cacubo.org](http://cacubo.org) for more information.

### WOMEN'S LEADERSHIP INSTITUTE
